

CHILD GUIDANCE CENTRE**PROGRESS REPORT FOR THE ACADEMIC YEAR – 2013 – 2014**

Child Guidance Centre successfully completed its 41st academic year. Since 4 decades it has been consistently working towards improvising on the rehabilitation services provided at the Centre. The special school offers qualitative services to enable the children lead a life of independence. Child Guidance Centre offers early Intervention services, special educational services to children with all levels of mental retardation, therapeutic services (physiotherapy, speech therapy, and occupational therapy), behavioral intervention, guidance and counselling, prevocational and vocational training. The school offers remedial teaching for children with educational problems. Children with Autism, Downs Syndrome, Cerebral Palsy, Multiple Disability and all levels of mental retardation are offered rehabilitation services. The organization strongly believes in strengthening the community to make the society a place which is disabled friendly. The institute offers Centre Based Training, Home Based Training and also works towards Community Based Rehabilitation. Efforts are made to strengthen or empower the disabled on one hand while working simultaneously to prepare the community to accept these children with their differential ability. Programs to create awareness in the community are encouraged and implemented every year to change the attitude of the people towards children and adults with disability.

The Heralds Human Resource Academy of Child Guidance Centre has been responsible for providing good quality professionals in the field of Disability Rehabilitation. The course had commenced in the year 2008. We are proud to announce that many of our students have been successfully employed in both government and private sectors. The academic offers qualitative input to the students to prepare them to work under varied settings including special school, integrated and inclusive set up. The skills of the students are strengthened through inputs from Professionals both from India and abroad.
